

Environmental Policy

Kudrinko's Ltd. is committed to complying with all laws and regulations applicable to the business operations of our store. Consistent with this commitment, Kudrinko's believes in managing and conducting its operations in a manner which is in the long-term interests of Kudrinko's, the communities we serve, and our employees. Accordingly, Kudrinko's has adopted the following policy dealing with environmental matters.

1. Kudrinko's, through its operations, will develop, maintain and implement policies, procedures and management systems to monitor our operations with a view to protecting the environment.
2. Kudrinko's, through its operations, will strive to incorporate in its environmental practices the best available technology which is economically achievable.
3. Kudrinko's, through its operations, will consider and, when appropriate, promote energy efficiency to reduce the consumption of on non-renewable natural resources and will promote source reduction initiatives as a means of reducing waste.
4. To ensure continuous improvement in environmental performance, Kudrinko's, through its operations, shall review periodically its environmental operating practices and procedures and establish, maintain and monitor environmental objectives and targets to measure performance.
5. Where appropriate, Kudrinko's will request its employees to notify customers of this Environmental Policy as it relates to how we conduct business.
6. Kudrinko's will promote awareness amongst its stakeholders, including employees, to increase their understanding of environmental matters as they relate to Kudrinko's and will involve them in appropriate environmental protection initiatives from time to time.
7. Kudrinko's will play a leadership role within the grocery industry, and the business community more broadly in encouraging acceptance of environmental and sustainability best practices through collaboration and sharing of information and experiences (while respecting antitrust regulations).
8. Kudrinko's will support community based initiatives that promote environmental awareness and stewardship.

All officers and employees are expected to respect Kudrinko's Environmental policies and procedures.
